

Dear 2010 TPAC Attendee,

I would like to welcome you to Grand Rapids on behalf of Grand Valley State University's College of Community and Public Service and the School of Public, Nonprofit and Health Administration. We are so happy you are here! Many of you have traveled from far and wide to attend for which we are very grateful.

This year's conference will focus on "Putting the Service Back Into Community Service." Conversations from multiple educators will enhance this message and allow us to discuss the issues present in our international communities. We encourage open discussion and involvement as we move forward together.

We are looking forward to showing you what our beautiful town of Grand Rapids has to offer not only to public service, but also in social opportunities! Whether you will be attending an "Evening on the Town" or the Whitecaps Game, we are excited to share our hometown with you!

Please let me or the TPAC staff know if you have any questions. We will have distinct markings on our name badges so that you will be able to identify us.

We look forward to the next three days!

Sincerely,

Dr. Diane Kimoto
